

CELEBRATE DESIGN

TWO THOUSAND EIGHTEEN

— TENNESSEE CHAPTER —

Dear Valued Industry Partner,

Our planning committee has been busy insuring that our 2018 ASID Gala, Conference, and Design Awards Presentations will be a most joyful, exciting, and memorable event. This is a time when our member designers, students, and industry partners from across our great state—network, make/renew friendships, and attend educational and professional development seminars.

We have planned a fantastic social occasion, networking, learning, celebrating design, and experiencing all of this in the magnificent setting of Nashville's Cheekwood Estate and Gardens.

On Thursday, October 18, we are looking forward to an artfully presented vendor/trade fair, fantastic food and cocktails, beautiful surroundings, a wonderful keynote, and the presentation of the winners of our design competition. Friday, October 19 features breakfast, excellent continuing education opportunities, and a fantastic tour of Cheekwood Mansion. We plan to finish our structured day by midafternoon, so that those attending can enjoy time exploring other features of the Mansion and Gardens on their own or have a nice start on their travel and fall weekend plans.

We greatly value and appreciate the friendship and financial support of our industry partners and sponsors. Please consider sponsoring and being a part of this event. We look forward to sharing "Celebrate Design 2018" with you at Cheekwood.

All the best,

Your 2018 Conference Chair

John Starbuck, ASID
ASID TN President-Elect
