TWO THOUSAND EIGHTEEN

— TENNESSEE CHAPTER —

Dear ASID TN Industry Partners,

It is with great pleasure that the Tennessee Chapter of ASID invites you to attend and participate in our 2018 Annual ASID TN Chapter State Conference. It is taking place Thursday, October 18, 2018 and Friday, October 19, 2018.

Celebration Awards Evening at Cheekwood Estate and Gardens will kick off our event Thursday, October 18th. The evening will start with a vendor cocktail hour, dinner with Stephen Nobel, Noblelinks, is our Keynote speaker, and celebration of our ASID TN Chapter winners of this year's design competition. Cocktails and dinner are included with your ticket!

This is going to be a fun event with an opportunity to network with designers and other industry partners, as well as other designers and architects from the community and state. We encourage you to attend, bring a guest or two and/or host a table.

The State Conference CEU Day will be Friday, October 19th, at Botanical Hall. The Vendor Fair will take place all day from Registration ending before our last CEU. The schedule is being fine-tuned and more details will be forthcoming. Our presenting Gold Sponsors will have prominent location on site.

Our Industry Partners will be given 1st chance to sign up for a tabletop before opening the event to other vendors. You may contact Sharon Hicks or Kate Esteller to sign up for your space. Registration forms should be sent to the ASID Association Office (address on form).

Enclosed you will find sponsorship and vendor opportunities. The Industry Partners sign up will open immediately and those registering by August 31st will receive the early bird discount. It is a wonderful chance to build long-term relationships and showcase your products. We look forward to an outstanding conference and we appreciate you, our Industry Partners, and your support!

Respectfully,

Your 2017 ASID Conference Chair

John Starbuck, ASID
ASID TN President-Elect
